

2024 Minnesota State High School Team Table Tennis Championships

Open Division and Girls Division

Sunday, February 25th

8 A.M. – 7 P.M.

At

Academy of Holy Angels

6600 Nicollet Ave. S.

Minneapolis, MN 55423

Competition Format:

The format will depend on the number of teams that enter. An Open Division team shall be comprised of 10-12 players from the same high school. The team's coach/captain will order their players in positions one through ten for singles and select pairs of players to compete in doubles positions one through five, for a total of fifteen matches. If the number of teams allows for it, teams will participate in preliminary round-robin groups of three or four teams. Teams that place first or second in each preliminary round-robin group will advance to the Championship bracket; Teams that place third or fourth in each preliminary round-robin group will advance to a Consolation bracket. The Championship and Consolation brackets will be single elimination. If more than 20 teams enter, we will use a single-elimination format from the start. Teams that lose in the first round will compete in a consolation bracket.

The Girls Division will have teams comprised of 2-4 players and use a Davis Cup format; two singles matches, a doubles match, and two singles matches. Girls must choose to compete in either the Girl's Division or the Open Division and cannot compete in both.

Matches will be best two out of three games in the preliminary round-robins. Matches will be best three out of five games in the Championship and Consolation brackets.
